STANDARDS FOR STUDENT ACHIEVEMENT

GRADING PROCEDURES

The following are the requirements to complete the program and earn a diploma. Students must successfully complete the 1600 clock hours of instruction and practical operations in the required curriculum described above. The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each subject of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (these practical assignments are tracked using the schools SMART system online). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated until a satisfactory grade is achieved.

At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

90 - 100 EXCELLENT
80 – 89 VERY GOOD
70 – 79 SATISFACTORY
0 - 69 BELOW STANDARDS – UNSATISFACTORY

PROBATION AND DISMISSAL

Students are expected to maintain the following academic progress and are evaluated at the end of each section:

1. A cumulative academic average of "Satisfactory" (70% - 79%) or better at the end of each section.
2. A cumulative attendance average of 85% or better of the scheduled hours at the end of each section.
3. Compliance with the school’s policies, rules, and regulations.

Students who fail to maintain the foregoing satisfactory academic progress will be placed on probation until the next evaluation period. Students who fail to meet satisfactory academic progress at the end of the probation period may be dismissed from the course. Students who are absent for 21 days without written approval will be dismissed from the cosmetology program.

The dismissed student’s tuition obligation will be in accordance with the School’s refund policy.

Student warning notices are issued upon violation of any one or part of the policies, rules, and regulations. Any student receiving three (3) Student Warnings during his/her course will be subject to suspension, for a period to be determined by Management, or immediate dismissal.
ATTENDANCE

Vidal Sassoon Academy is open Monday through Saturday 8:45 AM to 7:45 PM, except on public holidays. Students are expected to attend school for 40 hours per week. The course is completed in 2 sections with a two week mid-term break, over a 44 week period.

Due to the intensive nature of instruction at Vidal Sassoon Academy there is no allowance made for absenteeism or tardiness. Overtime will be charged to any student who has not completed 1600 hours at the end of 44 weeks. Attendance and tardiness are recorded by a time clock on weekly timecards and students’ hours are calculated weekly by a supervisor.

On days that student are to arrive at 8:45 AM, there will be an available window to arrive up to 9:15 AM only, unless the student organizes a later arrival on specified day with management. Students must have signed management approval for arriving after 9:15 AM. If there is no written approval for late arrival, student must not attend class that day and not receive credit for hours that day, but may return during regular hours on their next scheduled day.

Students who are absent for 21 days without written approval will be dismissed from the cosmetology program.

LEAVE-OF-ABSENCE

Occasionally, students may experience extended personal, medical or other problems, which make it difficult to attend classes. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. LOA must be requested in writing by the student and must be approved by the school administration. The written request must include the start and end date of the leave of absence. Leaves of Absence may be granted for up to 180 days. Students will not be assessed additional tuition charges while on their leave of absence.

Students returning from an authorized LOA will retain all credit for clock hours and work projects completed, and will return to the academic progress status they held. Students who fail to return from a LOA will be considered dismissed as of the last class day of attendance. As of the same date, the loan repayment process will be initiated. Students must be reasonably certain of their intent to return. If the student does not return as scheduled, the grace period on any student loan will revert to start counting from the first day of the leave. In these cases the loan payment will be due as stated on the promissory note.

STATE LICENSURE REQUIREMENTS

If a student pays in full by the end of the course, then the Academy does not charge any interest or finance charges. STUDENT’S RIGHT TO CANCEL

You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later, you will receive 100 percent of the amount paid for institutional charges less a Seventy-Five Dollar ($75.00) registration fee. Cancellation occurs when you have given written notice of cancellation to the Academy. You may do this by mail, by FAX or by hand delivery to the Admissions Office, Vidal Sassoon Academy, 321 Santa Monica Blvd., Santa Monica, CA 90401, fax no. (310) 393-8947. The Notice of Cancellation, if mailed, is effective when it has been deposited in the mail, properly addressed with postage prepaid. If faxed or hand delivered, it is effective upon receipt by the Admissions Office. This Notice need not take any particular form; it need only state that you wish to cancel the Agreement. You may withdraw from the Course at any time. A notice of cancellation shall be in writing and a withdrawal may be effectuated by the student’s written notice or by the student’s conduct, including, but not necessarily limited to, a student’s lack of attendance. If you withdraw after the cancellation period, your refund is determined according to the refund policy below.

If the school closes before you graduate, you may be entitled to a refund, and should contact the Bureau for Private Postsecondary Education at the Bureau for Private Postsecondary Education, P.O. Box 980818, West Sacramento, CA, 95798-0818 by calling (888) 370-7589 for information.

If you obtain a loan to pay for an educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If you have received federal student financial aid funds, you are entitled to a refund of the money not paid from federal student financial aid program funds.

REFUND POLICY

If notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later, you will receive 100 percent of the amount paid for institutional charges less a Seventy-Five Dollar ($75.00) registration fee. If you withdraw thereafter and at the time of withdrawal have completed 60 percent or less of the period of attendance you shall receive a pro rata refund for education services not rendered and unreturned books and supplies. No refund will be made for any portion of your equipment or tool kit, because these supplies cannot be reused due to health and sanitary reasons. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, the denominator of which is the total number of hours of instruction for which you have paid. You are liable for the amount, if any, by which the pro rata or documented cost for books and supplies exceeds the refund amount. If the amount you have paid is more than the amount you owe, then a refund will be made within forty-five (45) days of withdrawal for the difference. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If the amount that you owe is more than the amount that you paid, then you shall make arrangements to immediately pay that amount. If you have completed more than 60 percent of the period of attendance prior to withdrawal, the Academy will not refund any amounts to you. This refund policy applies to student dismissals and failures to return from leaves of absence.
For the purpose of determining the amount of your refund or the amount that you owe, you shall be deemed to have withdrawn from the course when any of the following occurs: (a) You notify in writing the Academy of your withdrawal or the actual date of withdrawal; (b) The Academy dismisses you pursuant to its policies; (c) You fail to return from a leave of absence; in this case, the date of withdrawal shall be deemed to be the last date of recorded attendance; (d) The date you fail to attend classes without approval for twenty-one (21) consecutive days and fail to inform the school that you are not withdrawing.
