THE SMALL PRINT

Licensed Cosmetologists are not required to take continuing education as a condition of continued licensure in the State of California. Sassoon Academy offers continuing education for the sole purpose of enhancing skills and knowledge in the field of Cosmetology. You must be a licensed Cosmetologist to attend a Sassoon continuing education course. All courses are conducted for approximately 7 hours a day. Please see the schedule for the length of the course and for the course start dates.

The Academy is closed on major public holidays. Please call for details. Students should report suitably dressed for salon work (no athletic shoes, casual or beach wear, please) 15 minutes prior to the course start time on the first day for registration. The Academy will provide models and wet products. You will need to bring the following equipment: blow dryer, diffuser, scissors no longer than 5.5", sectioning clips, 7 and 9-row Vess brushes, cutting comb, water spray bottle, hand mirror, note pad, pen, colored pencils (black, blue, red and green), pencil sharpener, 1/4" lock, and a copy of your Cosmetology license. In addition to these tools, chemical students must bring a jumbo comb, tail comb, tint brushes (bristles no wider than 2") and an apron. Still cameras are recommended but we cannot allow video or audio recording devices. Diplomas are awarded to those students who successfully complete the training they have contracted.
