LONG TERM BEGINNERS

LONDON

30-WEEK DIPLOMA

Are you passionate about becoming a hair professional? Do you believe that qualifications are key to your long term success?

There is no finer beginning for anyone wanting to make their first mark on the world of hair than the 30 week Sassoon Diploma course. Recognised worldwide as the ultimate in modern hair education, every one of the key cutting and colouring techniques that underpin the Sassoon philosophy will be passed on to you, the newest generation of qualified hair professionals.

The course is divided into six in-depth stages covering all of the subjects needed to provide you with a fast track to hairdressing success. The nature and content of each stage develops as you progress through the course. However, some things remain constant; personal guidance and mentoring from a Sassoon instructor

throughout all work sessions; theory and practical assignments to assess your progress at regular intervals; a personal appraisal at the end of each stage to ensure you are achieving the learning goals required by Sassoon.

Note: Available to UK / Irish residents only. Students must be at least 18 years of age to apply for this course.

For your NVQ qualification you will be formally assessed throughout your course and your knowledge will be tested throughout by online testing.

This NVQ qualification can be very difficult for some students; a lot of practical, theory and written exams need to be completed to gain this qualification. If you are not successful for the full qualification, you will be given a certificate of accreditation towards NVQ Level 3 for the units you have attained.

24-WEEK DIPLOMA

Are you passionate about becoming a hair professional?

There is no finer beginning for anyone wanting to make their first mark on the world of hair than the 24 week Sassoon Diploma course. Recognised worldwide as the ultimate in modern hair education, every one of the key cutting and colouring techniques that underpin the Sassoon philosophy will be passed on to you, the newest generation of qualified hair professionals.

The course is divided into five in-depth stages covering all of the subjects needed to provide you with a fast track to hairdressing success. The nature and content of each stage develops as you progress through the course. However, some things remain constant; personal guidance and mentoring from a Sassoon instructor

throughout all work sessions; theory and practical assignments to assess your progress at regular intervals; a personal appraisal at the end of each stage to ensure you are achieving the learning goals required by Sassoon.

Note: Students must be at least 18 years of age to apply for this course.

SALON INTENSIVE CUT

Does your salon work need more inspiration? This three week Salon Intensive course is designed for hairdressers wanting to focus on their cutting and finishing skills needed to excel in today's competitive salon environment. This three week course will not only guide you through the world-renowned ABC Cutting Hair the Sassoon Way techniques, but also in creative cutting sessions where you will incorporate the use of disconnection, freehand and modern sectioning patterns.

SALON INTENSIVE CUT & COLOUR

Does your salon work need more inspiration? This four week Salon Intensive course is designed for hairdressers wanting to focus on the skills needed to excel in today's competitive salon environment. This four week course will not only guide you through the world-renowned ABC Cutting and Colouring Hair the Sassoon Way techniques, but also in creative cutting sessions where you will incorporate the use of disconnection, freehand and modern sectioning patterns. During the course you will also study colour chart theory, as well as total, partial and combination colour techniques through demonstrations and daily hands on work sessions.

COMPREHENSIVE

Are you looking to refresh your approach to hair? Do you strive for greater precision in your day-to-day work? This course is a favourite with hair professionals looking to achieve a higher standard of classic and contemporary work. With just an 8-week investment, you will learn new techniques in cutting with the emphasis on the touchstone ABC cutting techniques used by Sassoon trained stylists. Allowing you the time and space to truly perfect lines, graduation, layering and their combinations; the Comprehensive course is focused on providing you with a bank of cutting techniques for both women and men, upon which you can draw on a daily basis; allowing you to meet all client situations with confidence and professional pride.

POSTGRADUATE

Would your professional confidence benefit from expert coaching? The Postgraduate course is unique in design, innovative in content and specifically created to meet the needs of newly qualified students, or those with existing experience who are hungry for more and wish to learn all that is Sassoon. During the course you will grasp a strong sense of modern hair technique, be immersed in the definitive ABC series and contemporary work of Sassoon and even have the chance to study our world renowned and highly sought after teaching techniques. The course is divided evenly into three in-depth levels of instruction, giving you the opportunity to attend the Collection course for one week and includes all of the prep time necessary to get ready for your final photo shoot.
